**Select* Associates, Inc. to showcase star*targetCash at
2009 ABA Techshow in Chicago**

*star*targetCash automates the monthly, quarterly and year-end cash forecasting process for law firms, providing comprehensive tools to manage cash projections.*

Timonium, MD March 20, 2009 -- Select*Associates, Inc., a leader in collections management technology for law firms, announced plans to attend the upcoming 2009 ABA Techshow in Chicago IL. The ABA Techshow will take place April 2nd and 3rd 2009 at the Hilton Chicago. Select* Associates is located in booth 414, and will be demonstrating **star*targetCash** and **star*collect**.

star*targetCash uses the latest web technology to distribute accounts receivable financial data to staff, including billing attorneys, partners, associates and other professionals. Attorneys can enter and update cash projections by client and/or matter. In addition, **star*targetCash** includes a suite of integrated reports which provide timely progress measurements by major criteria, including firm, office, billing attorney, department, and client.

Law firms will benefit from this technology by improving the speed of cash collections and accuracy of their financial projections. Law firm management and attorneys can use the consolidated reports generated by **star*targetCash** for additional financial analysis.
